CATEGORICAL EXCLUSION

NUMBER: DOI-BLM-CO-N010-2015-0048-CX

CASEFILE/PROJECT NUMBER (optional): n/a

PROJECT NAME: Sheepherder Spring Informational Kiosk

LEGAL DESCRIPTION: Moffatt County, Sixth P. M., T.10N., R.98W. Sec. 8

APPLICANT: BLM

DESCRIPTION OF PROPOSED ACTION:

A new kiosk would be installed at the entrance to Sheepherder Spring, off Moffatt County Road 126, in the Sand Wash Herd Management Area (HMA). Sand Wash HMA, referred to as Sand Wash Basin is located approximately 35 miles from Maybell, Colorado. Information posted within the kiosk will help educate the public about horse etiquette, and the maps posted within will also aid in recreational services to the public.

The site would be accessed by existing roads. Site preparation and excavation would be one square meter or less into the soil or bedrock. The color of the kiosk will be brown to blend in with the natural surroundings.

LAND USE PLAN (LUP) CONFORMANCE REVIEW: The proposed action was reviewed for conformance (43 CFR 1610.5, BLM 1617.3) with the following plan:

Name of Plan: Little Snake Record of Decision and Resource Management Plan

Date Approved: October 2011

Results: The Proposed Action is in conformance with the LUP because it is specifically provided for in the following LUP goals, objectives, and management decisions:

Section/Page: RMP-42

Decision Language: Goal A: Provide a diversity of outdoor recreational opportunities, activities, and experiences for various user groups, unorganized visitors and affected communities, their residences, economies, and the environment. Objectives for achieving these goals include:

- Increase managed motorized and non-motorized use trails.

- Focus the development of non-motorized and non-mechanized trails in backcountry areas or where public demand warrants.
- Provide legal public access opportunities for recreational uses.
- Manage for special recreation permit services.
- Identify strategies and decisions that may be applied to protect or preserve primitive and semi-primitive areas so as to provide solitude and backcountry opportunities.
- Manage motorized recreation to reduce impacts on big game hunt quality and harvest success on BLM lands.

Goal B: Provide visitor services including interpretive and educational information.

Objectives for achieving this goal include:

- Provide developed facilities in heavy-use areas where such use is impacting resources and experiences.
- Use education as a means to further resource protection.
- Enhance recreational experiences by such actions as providing boundary signing and information and managing campsites and access.
- Continue coordination with organized interpretive associations.

Goal C: Support tourism efforts for local economic diversification associated with public land resources. Objectives for achieving this goal include:

- Maintain cooperative agreements with Colorado State Parks, Moffat County, and the Moffat County Sheriff for management of the Yampa River.
- Continue coordination with local and regional recreation economic development organizations, such as BLM community partners and community organizations.
- Pursue cooperative agreements with other agencies and governments.

CATEGORICAL EXCLUSION REVIEW: The Proposed Action is categorically excluded from further documentation under the National Environmental Policy Act (NEPA) in accordance with 43 CFR Part 46.210 and qualifies as a categorical exclusion under 516 DM 11.9(G) Transportation 4. *“Placement of recreational, special designation, or information signs, visitor registers, kiosks and portable sanitation devices.”*

This categorical exclusion is appropriate in this situation because there are no extraordinary circumstances potentially having effects that may significantly affect the environment. The proposed action has been reviewed, and none of the extraordinary circumstances described in 43 CFR Part 46.215 applies:

Extraordinary Circumstances	YES	NO
1. Have significant adverse effects on public health and safety.		<u>X</u>
2. Have significant impacts on such natural resources and unique geographic characteristics as historic or cultural resources; park, recreation or refuge lands; wilderness areas; wild or scenic rivers; national natural landmarks; sole or principal drinking water aquifers; prime farmlands; wetlands (Executive Order 11990); floodplains (Executive Order 11988); national monuments; migratory birds; and other ecologically significant or critical areas.		<u>X</u>

3. Have highly controversial environmental effects or involve unresolved conflicts concerning alternative uses of available resources [NEPA Section 102(2)(E)].	<u> X </u>
4. Have highly uncertain and potentially significant environmental effects or involve unique or unknown environmental risks.	<u> X </u>
5. Establish a precedent for future action or represent a decision in principle about future actions with potentially significant environmental effects.	<u> X </u>
6. Have a direct relationship to other actions with individually insignificant but cumulatively significant environmental effects.	<u> X </u>
7. Have significant impacts on properties listed, or eligible for listing, on the National Register of Historic Places as determined by either the bureau or office.	<u> X </u>
8. Have significant impacts on species listed, or proposed to be listed, on the List of Endangered or Threatened Species, or have significant impacts on designated Critical Habitat for these species.	<u> X </u>
9. Violate a Federal law, or a State, local, or tribal law or requirement imposed for the protection of the environment.	<u> X </u>
10. Have the potential for a disproportionately high and adverse effect on low income or minority populations (Executive Order 12898).	<u> X </u>
11. Limit access to and ceremonial use of Indian sacred sites on Federal lands by Indian religious practitioners or significantly adversely affect the physical integrity of such sacred sites (Executive Order 13007).	<u> X </u>
12. Contribute to the introduction, continued existence, or spread of noxious weeds or non-native invasive species known to occur in the area or actions that may promote the introduction, growth, or expansion of the range of such species (Federal Noxious Weed Control Act and Executive Order 13112).	<u> X </u>

COMPLIANCE WITH NEPA

This action is listed in the Department Manual (516 DM 2, Appendix 1 and 516 DM 11) as an action that may be categorically excluded. I have evaluated the action relative to the 12 criteria

listed above and have determined that it does not represent an exception and is, therefore, categorically excluded from further environmental analysis.

DECISION

I considered the proposal to install a kiosk at the above listed location and it is my decision to implement the Proposed Action as described in DOI-BLM-CO-N010-2015-0046.

SIGNATURE OF AUTHORIZED OFFICIAL:

A handwritten signature in blue ink, appearing to read "Wendy Reynolds", is written over a horizontal line.

Contact Person

For additional information concerning this decision, contact Kathy McKinstry, Planning and Environmental Coordinator, Little Snake Field Office, 455 Emerson Street, Craig, CO 81625, Phone (970) 826-5080.

Kiosk would be located near CR 126 and route leading to spring. From CR 126 the kiosk would be located far enough away from the road where they could pull off the road to read the information and the same from the route leading into the spring.
